Who can nominate a Nurse or CNA?

Anyone who wants to share their story about a nurse or CNA can do so. This includes patients, patient family members, clinical and non-clinical employees, volunteers, or community members.

Do you have submission deadlines?

Yes. We will give four Sunshine Awards and four DAISY Awards each year. Nominations will be accepted on a rolling basis.

My Nurse or CNA wasn't selected, can I nominate them again?

Yes. You can nominate a nurse or CNA again for consideration in the next submission period for each award for as long as you'd like. You will need to submit a new nomination form each time. We have many wonderful Nurses and CNAs and only one will be selected for each award each quarter. You can also nominate multiple Nurses and/or CNAs. Each nomination will need its own submission form each time they are nominated.
