2025: A Year of Hope

We are deeply grateful to the more than 1,200 individuals, businesses, community organizations, foundations and government funders that generously contributed over \$5,410,000 to the St. Joseph Healthcare Foundation in 2025.

Thanks to your collective generosity, amazing things took place, including the following:

- Establishment of a new MRI center. The center was supported by federal funding procured by Senators Susan Collins and Angus King and Joe and Sue Cyr. Importantly, this has already dramatically increased access to high-resolution imaging for our community.
- Installation of a new generator; it is powerful enough to provide power for the entire hospital in the event of a power failure.
- Purchase of a new echocardiogram machine, thanks to the generosity of Rick and Ellen Port; this immediately reduced wait times.
- Jim Gero invested in equipment that expands capacity and generates financial benefit on services provided in the Cathy Gero Orthopedic Center.
- New neurosurgery equipment was acquired thanks to the generosity of Nancy Graham.
- New sleep center beds and furniture were purchased thanks to the generosity of Ray and Sandy Lynch.
- New echocardiography beds and respiratory ventilators, enhancing patient safety, accessibility and comfort, were added, all because of the generosity of Ed Darling.
- The Sexual Assault Forensic Examiner program was able to provide even more resources for the community, thanks to over 1,000 Commit to Community participants.
- Thanks to work of the Healing Arts Commission, soothing art was purchased and installed in key areas of the hospital.
- Key support for Mission activities was available, thanks to 427 St. Joseph Healthcare employees who gave back to help patients and staff in need.

We also welcomed seven new talented board members to St. Joseph Healthcare: Vanessa Madore, Evelyn Silver, Cheryl Coffin, Jason Stutheit, Jaclyn Silk, Lucie Estabrook and Kelley Strout. Also we thank Bill Buckley, Anita Peavey-Haskell and Brad Ryder, three terrific board members who finished their board service in January 2026.

Our biggest change this year occurred in the spring, as our longtime president, Mary Prybylo, retired. Her accomplishments during her 14 years as this health system's leader were many, but perhaps most noteworthy was all she did to preserve the system's dedication to Mission and culture established many years ago by the Felician Sisters.

We are grateful to our community for being so supportive of St. Joseph Healthcare, and we are excited to work with you in the year to come.

Sincerely,

Gregory T. LaFrancois, MHA, FACHE

OUR MISSION

We are a Catholic health ministry, providing healing and care for the whole person, in service to all in our communities.

Values

Our Judeo-Christian tradition compels us to promote Gospel values in all of our endeavors. We commit to honor these core values:

COMPASSION

We show respect, caring and sensitivity towards all, honoring the dignity of each person, especially the poor, vulnerable and suffering.

INTEGRITY

We promote justice and ethical behavior, and responsibly steward our human, financial and environmental resources.

COLLABORATION

We work in partnership, dialogue and shared purpose to create healthy communities.

EXCELLENCE

We deliver all services with the highest level of quality, while seeking creative innovation.

Thank You to Our Donors

THE FELICIAN SOCIETY

Donors for Tomorrow

The Felician Society recognizes those who have made a commitment to the future of St. Joseph Healthcare Foundation through a planned gift — the intentional sharing of money, property or other assets accumulated over a lifetime. The following list, to the best of our knowledge, includes all the individuals who have shared their planned gift intentions with us. The simplest and most popular method of planned giving is to include a charitable bequest to St. Joseph Healthcare Foundation in your will. Other planned gifts include real estate, charitable gift annuities and life insurance.

Names with △ after them are Davis Society members, whom we recognize as St. Joseph Healthcare's most loyal donors because they have given for three or more consecutive years. The Davis Society is named for Dianne Davis, one of St. Joseph Healthcare's most committed donors. Dianne retired after serving for 22 years as executive assistant to the president. We honor Dianne's long-term generosity and quiet devotion to our Mission, as donors who give year after year are the backbone of St. Joseph Healthcare Foundation.

WHEN YOU GIVE TO ST. JOSEPH HEALTHCARE FOUNDATION,
your gift stays right here in Greater Bangor, providing expert and
compassionate care to those in need.

GIVE NOW

You can direct your gift to any area of the hospital or donate in honor or memory of someone. No matter what you give, your annual support makes a positive difference. You can always give easily and safely online at stjosephbangor.org/give.

GIVE LATER

Leave your legacy with a bequest that can be tailored to support the cause or department you care about most. Many planned giving options also offer financial and tax incentives.
